**TOWN OF GORHAM  
RESOLUTION # 14-2024  
APPROVE FREE STONE**

Resolution to provide a small amount of stone to any Gorham resident to fill driveway holes close to the intersection of their driveways and the road surface,

**Whereas,** The Town of Gorham has approximately 100 tons of number 2 crusher run s left over from projects, and;

**Whereas,** The Town of Gorham has supplied such stone to residents to maintain their driveways close to the road surface for many years, and;

**Therefore,** The Gorham Town Board declares approximately 100 tons of number 2 crusher run as surplus and therefore available for Gorham residents to level their driveways close to the road surface, and;

**Therefore,** The Gorham Town Board declares Saturday June 1<sup>st</sup>, 2024 to be designated “Stone Day”, the one day of any given year that Gorham residents are allowed to take up to one-half of one cubic yard of number 2 crusher run from the Gorham Highway stockpile to be shoveled by Gorham residents into their own containers, for the purpose of maintaining their own driveways near the road edge, and also;

**Therefore,** Stone will be available to be picked up on June 1st, 2024 between the hours of 9:00 am and 3:00 pm when a representative of the Town of Gorham will monitor the stone pile and have the final say regarding when the one-half cubic yard limit is reached by any and all residents.
